When a lost cat is found in the city it is taken to San Lorenzo as naturally as every Florentine baby is taken to the Baptistery of St. John to be christened. Moreover, when the people wish to get rid of their cats, they do not poison them or leave them to starve in empty houses, but send them to the hospitable cloister. No visitor to Florence should fail to visit this delightful cats' home.—*Forward.*

I have an ice cream freezer that will freeze cream perfectly instantly. The cream is put into the freezer and comes out instantly smooth and perfectly frozen. This astonishes people and a crowd will gather to see the freezer in operation and they will all want to try the cream. You can sell the cream as fast as it can be made, and sell freezers to many of them who would not buy an old style freezer. It is really a curiosity and you can sell from \$5 to \$8 worth of cream and six to twelve freezers every day. This makes a good profit these hard times and is a pleasant employment. W. H. Baird & Co., Dept. 288, Sta. A, Pittsburg, Pa., will send full particulars and information in regard to this new invention on application and will employ good salesmen on liberal terms.
